On **Monday 26th April 2010** Shiplake College pupils and staff will be attempting to complete a 20 mile walk along the Thames Path. This is a biennial event in which the extended Shiplake community has always been able to raise a considerable sum for charity. The charities we are raising money for this year are being nominated by and voted for by our pupils in the weeks preceding the walk. The chosen charities will be announced the week before the walk. Pupils have the opportunities to make their submissions over, or on their return from, the Easter break. **Please sponsor our walkers generously.**

In order to make a **Gift Aid** donation please tick the box on the sheet and also complete a Gift Aid declaration form. This form is a mandatory requirement from her Majesty's Revenue and Customs. The College is required to maintain a register of all such donations. Forms are available from individual pupils or by downloading a copy from the College website at www.shiplake.org.uk.

Thank you for your support
