

SHIPLAKE COLLEGE
HENLEY-ON-THAMES

Teacher of Politics
Candidate Information Pack
Starting September 2026

Welcome from the Headmaster

Dear Applicant,

The word I hear mentioned most regularly when speaking to the pupils, parents, and staff of Shiplake College is 'community'. So, thank you for taking the time to consider the role of **Teacher of Politics**, as it represents a wonderful opportunity to join our very special Shiplake community.

Shiplake College is an HMC co-educational boarding and day school offering a holistic education for around 580 pupils from Year 7 to Sixth Form. There has been a co-educational Sixth Form since 1998 and since September 2023 girls have been welcomed into Year 7, as we continue our journey to become a fully co-educational place of learning. We are nestled in leafy South Oxfordshire, five minutes from Henley, and sit right on the River Thames. It is a beautiful place to work.

As well as providing a fantastic learning and living environment for young people, Shiplake offers an enjoyable, challenging and rewarding working environment.

We strive to recruit the best possible teaching and support staff to drive the College forwards and ensure we continue to provide the best possible rounded education for our pupils.

Above all, Shiplake is a school where we try to live out authentically our three core values – the Three Is – **Inclusive**, **Individual**, and **Inspirational**.

'Inclusive' is our cornerstone with our strong sense of community in which everyone has value and where the prevailing culture is one of kindness.

'Individual' represents our all-ability school in which we not only recognise but also celebrate that everyone is different - thank goodness for that! This is a personal best school.

And finally, 'Inspirational' - the pre-requisite at Shiplake is that everyone – students and staff alike - turn up each day with a smile, a positive attitude, and a willingness to engage with all aspects of school life.

Shiplake College is a school where academic rigour is non-negotiable, but character development is just as important. We strive to help students develop broad interests across a wide range of co-curricular areas, bolster self-esteem, and give a sense of our place in the wider world with the aim to make a positive difference to society.

Embracing the lifestyle at a busy and vibrant boarding school is paramount for anyone wishing to work at Shiplake. Knowing our pupils well enables us to ensure that they get the best from their education here, and this is a pivotal part of any role at the College. This is a great opportunity for the right candidate and 'fit' is very important to us.

Thank you for your interest in working at Shiplake College and, as we look to an exciting future, I hope that you will consider being part of that story.

Tyrone Howe

The College

Shiplake College is a thriving and relatively young HMC school. In September 2025 we welcomed 580 boarding and day pupils aged 11-18 (up from 536 the previous term). There has been a co-educational Sixth Form since 1998 and since September 2023 girls have joined in Year 7 (now making up 40% of all co-educational year groups) as the College goes fully co-educational.

Overlooking the River Thames, two miles upstream of the famous Henley Royal Regatta stretch, pupils enjoy a beautiful and inspiring 63-acre rural site. The College is conveniently located near major air, railway and motorway networks, close to Reading, London and Oxford and just 40 minutes from Heathrow.

Full, weekly, part- and flexi-boarding is available from Year 9 (from Year 7 in 2027), with ad hoc 'overnight stays' also an option for day pupils.

Every pupil is placed at the heart of Shiplake life and the College's ethos is underpinned by the Three Is – **Inclusive, Individual** and **Inspirational**.

Shiplake provides a friendly, supportive and structured environment to bring out the best in each and every pupil. Renowned for outstanding pastoral care and personal development, the College welcomes pupils with wide-ranging skills and talents, who will make the most of the many opportunities offered to them.

The College provides an education that is tailored to the individual, achieved through engaging and inspirational teaching, delivered in small classes where the teachers can know and understand each pupil's method of learning.

The College continues to see year-on-year improvements in examination results. In August 2025, Shiplake leavers achieved excellent public examination grades, with the best ever GCSE results setting a new academic benchmark for the College. At GCSE, pupils achieved 38% of 9-7 grades and 64% grades 9-6, an increase from 34% and 58% respectively in 2024. Overall, 93% of GCSE grades were marked 9-4 (93% in 2024). At Sixth Form, the percentage of A*-C grades was 82%, and 59% at A*-B.

In addition to a strong academic foundation, the College offers excellent sporting, artistic and co-curricular opportunities. Two afternoons are reserved for an array of clubs and activities, including a comprehensive outdoor education programme, with pupils encouraged to extend their horizons and experience new challenges and responsibilities.

Academic lessons take place Monday to Friday and each day ends with an hour of academic support during which pupils undertake independent study or seek help with homework from teachers. Sports training takes place on three days a week, with the majority of fixtures scheduled for Saturday mornings.

130 weekly and full boarders become fully integrated into Shiplake's inclusive and welcoming environment. International pupils join us from all over the world, currently from 17 different countries, and represent approximately 4% of the school population. Full boarders take part in a vibrant weekend programme of trips and activities on Saturday afternoons and Sundays, with day pupils and weekly boarders able to enjoy additional family and down time at home.

School Development

The stunning grounds are a remarkable combination of old and new; of the traditional and the up-to-date. Although only founded in 1959, Shiplake occupies a site which includes an original late-nineteenth century mansion, still dominating the main school buildings.

The school is equipped with modern amenities, including a contemporary Thinking Space, multi-purpose Lecture Theatre, a multi-activity centre with climbing wall, fitness suite and indoor archery/rifle range, and Marjorie's, a café where Sixth Form students can socialise and work independently.

Further investment and development will help to ensure that the College's future is even brighter than its past.

Governance

Shiplake College is a charitable company and is privileged to be supported by a highly experienced, knowledgeable and diverse board of governors. This helps to shape future strategies and inform key decisions to ensure the College continues to maintain the highest possible standards.

Inspection

Shiplake was visited by ISI in September 2025. The inspection went extremely well and we met all the regulatory standards. Shiplake was also awarded a '**significant strength**', which reflects that "pupils who participate in sports, such as rowing, are given guidance in balancing their academic, sporting and wider commitments in a way which effectively promotes their wellbeing."

Admissions

Entry points are normally at Year 7 (11+), Year 9 (13+) and Year 12 (16+). Prospective families are encouraged to arrange an individual visit or attend an open morning. Academic, Art, Music, Drama and Sport Scholarships, and means-tested bursaries, are available.

The College embraces pupils from a wide range of ethnic and cultural backgrounds as well as diverse intellectual and physical talents. As a Church of England school, pupils at Shiplake are gently encouraged to lead an active spiritual life throughout their time at the College.

Community

There are strong links with the local community and pupils are given every opportunity to get involved in local events and to offer service wherever appropriate.

Fundraising for charities takes place year on year.

The Shiplake Connected platform helps maintain and develop the links between the College, parents, alumni (known as Old Vikings) and former staff.
