Pupils Absence Insurance Scheme (PAIS): Questions and Answers

Effective Winter Term 2025 (8day)

Through our extensive and long-standing experience in the school's insurance sector, we have developed a tailor-made scheme that is simple and effective to both the school and fee payers should a pupil's education be interrupted due to an accident or sickness.

Full terms and conditions of the group policy are contained in the schedule and policy wording, which is held by the insured school, and available to you for inspection, which together form the policy of insurance. They can also be viewed at marsh.com/PAIS8Day. You have a choice of how to receive policy information: on paper or by electronic means. Paper copies are available from the school on request.

How is the Scheme operated?

Marsh Ltd has a "delegated authority" granted by the insurer which means that it acts as agent of the insurer, and we have the authority to issue documentation (in accordance with agreed terms) on the insurer's behalf.

Your participation in this Scheme is optional. If you are included in the Scheme the insurance premium is charged to your child's fee account each term.

You may cancel the insurance at any time by writing to the school prior to the start of any term. If you cancel after the start of any term for which you have paid the premium, cover will continue until the end of the period for which you have paid the premium.

The termly premium payable to the school is 0.55% of the termly fee, excluding extras. This includes Insurance Premium Tax at the current rate of 12%.

How are claims calculated?

Claims are based on the length of absence during term time only. The amount payable for each full day of absence, or absence from classes if a boarder, is calculated by dividing the actual number of days in the term (including weekends and half term breaks) into the pupil's fee for that term. In the event of a claim for school closure due to an outbreak of an infectious disease, excluding any new or existing pandemic or epidemic of disease, a seven-day excess applies. This means that there is no cover for the first seven days of any such closure.

How do I make a claim?

Claim forms can be obtained from your school. You should complete and return the claim form to the school no later than 30 days after the close of the term to which the absence relates. If the absence being claimed for exceeds 14 consecutive full days, the appropriate section of the claim form must also be completed by the pupil's Doctor. Any charge or fee exceeding £25 for completing the form is to be borne by the fee payer, in any one period of insurance. On receipt of the completed claim form, a school official will validate the absence and forward it to Marsh who will assess and manage the claim. All claims are handled by Marsh on behalf of the insurers under a delegated authority agreement. The insurer is entitled to appoint a medical practitioner, consultant specialist or educational psychologist to examine and report on the pupil where a claim is made or may be made. This will be at the Insurers expense.
